About This Content

This pack brings together more than 50 different boss monsters from across Tyler's various RPG Battler Packs. This pack is ideal for those who have not purchased Tyler's other packs, but would like to have a collection of the biggest and baddest of the monsters he has made. This pack is full of the bosses only, those that are the most ferocious, dangerous, and determined to end the hero's adventure. Each monster is presented in multiple sizes, optional filters, and pixel-style versions.

Buy now and get ready for your next boss fight!
